SMITH & WESSON® FIREARMS 2019

Welcome to the 2019 Firearms Catalog.

I am honored to address you today as the newly appointed President of the Firearms Division at American Outdoor Brands. It is truly a privilege to lead an organization that is not only home to the iconic and uniquely American Smith & Wesson® brand, but to a strong stable of popular brands that include M&P®, Thompson/Center™, Performance Center® and Gemtech®. With over ten years of leadership experience in this industry, I have developed a strong appreciation for not only our company's world class firearms, but for the loyal customers who support our business and the Second Amendment freedoms that they rightfully treasure.

This year, we bring you a number of exciting new products. And while each new product brings you legendary quality and performance, there are a few that I would especially like to point out. Building upon Smith & Wesson's longstanding heritage in revolver development, we have reintroduced the Model 610 in 10mm Auto – a popular caliber for hunting and personal defense. Additionally, the Performance Center® has developed two new additions to its line: a new Performance Center M&P Shield® M2.0™ with an optics-ready 4-inch slide, and for the first time, a Performance Center M&P®380 Shield™ EZ® series of pistols. These additions represent our commitment to delivering products that align with the latest and most exciting trends in the industry.

Together, with the talented and creative employees working to bring you innovative products from across all of our brands, we thank you for your loyalty. We maintain our steadfast commitment to delivering the confidence, reliability, and accuracy that you have come to expect from us since 1852.

Lane A. Tobiasen
President, Firearms Division

Availability of products, specifications, and terms stated in this publication are subject to change without notice. Descriptive, typographical, or photographic errors are subject to correction without notice. Certain firearms and accessories may be prohibited or restricted by state or local laws, regulations and ordinances.

Pro Series® is used under license.

Precision-built for accuracy and reliability, M&P® firearms are designed to stand up to the conditions you face, day in, day out. We're confident that your M&P® firearm is capable of handling as many rounds as you are. With an ever-expanding line of full-size, compact and sub-compact pistols, revolvers and modern sporting rifles, the M&P® brand continues to bring innovative, dependable firearms to the serious shooter.

M&P® M2.0™ SERIES

FULL & COMPACT SIZE PISTOLS

- Low barrel bore axis makes the M&P® M2.0™ pistol more comfortable to shoot, reducing muzzle rise and allowing for faster aim recovery
- Accurate 1 in 10" twist M&P® M2.0™ 9mm and 40 S&W barrels and 1 in 15" twist for M&P® M2.0™ 45 AUTO
- Optimal 18-degree grip angle for natural point of aim
- Armornite® durable corrosion-resistant finish on stainless steel barrel and slide
- Sear deactivation lever allows disassembly of the firearm without pulling the trigger
- Picatinny-style rail fits most accessories

Armornite® finish is a hardened nitride finish that provides enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many Smith & Wesson® and M&P® products imparting a high level of protection internally and externally where applied.

M&P® M2.0™ PISTOLS

45 AUTO

M&P® 45 SHIELD™ M2.0™
SKU: 12090
45 AUTO • 3.3" Barrel
7 & 6 Round Magazines
No Thumb Safety
Crimson Trace® Integrated Green Laser

M&P® 45 SHIELD™ M2.0™
SKU: 11881
45 AUTO • 3.3" Barrel
7 & 6 Round Magazines
Manual Thumb Safety
Crimson Trace® Green Laserguard®

M&P® 9 SHIELD™ M2.0™
SKU: 11901 - 9mm
3.1" Barrel
Crimson Trace® Integrated Green Laser

See the corresponding section charts on pages 18-19 for individual SKU features.

M&P SHIELD™ M2.0™ PISTOLS

M&P® 380 SHIELD™ EZ® M2.0™ PISTOLS

EASY TO RACK SLIDE

- Easy to rack slide
- Easy to load magazine
- Crisp, light trigger with tactile and audible trigger reset
- Can disassemble without pulling trigger
- Textured grip for enhanced control
- Picatinny-style equipment rail for lights and lasers
- Perfect size for nightstand, carry or day at the range
- Optimal 18-degree grip angle for natural point of aim
- Armornite® durable, corrosion-resistant finish

Easy To Rack Slide Chambers the First Round Effortlessly

Two Magazines Include an Easy-to-Load Button

M&P® ORIGINAL SERIES

FULL & COMPACT SIZE PISTOLS

- Contoured front slide for easy re-holstering
- Proven optimal 18-degree grip angle for natural point of aim
- Picatinny-style rail fits most accessories
- Three interchangeable palmwell grip inserts for optimal hand fit and trigger reach - S, M, L
- Reversible magazine catch for both left and right hand shooters
- User-friendly rotating takedown lever for disassembly and reassembly of the firearm
- Ambidextrous slide stop gives the ability to operate the firearm easily by both right or left-handed shooters
- Sear deactivation lever allows disassembly of the firearm without pulling the trigger
- Armornite® durable corrosion resistant finish on stainless steel barrel and slide
- Ambidextrous thumb safety is an additional safety feature to block trigger movement (available on some models)

Armornite® finish is a hardened nitride finish that provides enhanced corrosion resistance, greatly improved wear resistance, decreased surface roughness, reduced light reflection and increased surface lubricity. Armornite is used on many Smith & Wesson® and M&P® products imparting a high level of protection internally and externally where applied.

M&P® Gray Distressed Tee Shirt

A woman wearing a black tactical cap, safety glasses, and a dark long-sleeved shirt is aiming a black M&P 15 Sport II OR rifle. She has dark nail polish and is holding the rifle with both hands. The rifle features a Crimson Trace Red/Green Dot Optic. The background is dark and out of focus, suggesting an indoor shooting range.

M&P® 15 SPORT™ II OR
WITH CRIMSON TRACE® RED/GREEN DOT OPTIC INCLUDED
SKU: 12936
16.0" Barrel
30 Rounds

CUSTOM ENGRAVING

Most Smith & Wesson® firearms or classic firearms can be custom engraved to create a masterful work of art. The application of precious metals, as well as the art of embellishment, results in a one-of-a-kind piece that reflects not only the skill and vision of the master engraver, but also the artistic expression of the owner. Call 1-800-331-0852 for more information.
